

## Architectural Designer: 1 – 3 Years' Experience

Located in Philadelphia / New York / Princeton

This position is for a full-time Architectural Designer on the path to licensure with one to three years of experience. We are looking for creative, talented and team-oriented candidates. You should be passionate about design, work well across multiple teams, and communicate your ideas and approach in a clear and thoughtful manner. You will work collectively with our dynamic firm to develop innovative and thoughtful solutions for a wide range of clients and project types.

### Requirements and Skills:

- Passion for design excellence
- Strong design and conceptual development skills
- Ability to work closely and collaboratively on a project team
- Highly organized, with an eye for detail and ability to iterate design ideas
- Excellent and respectful verbal and written skills; within the office and with consultants, contractors and clients
- Commitment to responsibility, integrity, and accuracy
- Some experience with client interface preferred
- Strong technical and visualization skills
- Fluency with REVIT, Bluebeam Revu and Adobe Creative Suite; experience with Sefaira and other energy and carbon modeling is a plus
- Ability to thrive in a fast-paced environment
- On path to licensure
- Legal working status in the United States

### Preferred:

- LEED accreditation or pursuing accreditation
